

What matters now:

Stay at home

Keep your distance

Care for your children

Wash your hands

Stick together

Shop considerately

Five things you should absolutely observe:

- Only leave the house when it is really necessary
- Reduce your social contacts to a minimum
- Keep a distance of at least 2 metres to fellow citizens
- If you need help with grocery shopping or similar things, please call the hotline („Bürgerhotline“) via 02133 257 555 or send an e-mail to hilfe@stadt-dormagen.de
- Never open your door for would-be corona testers. Should you feel like you might be infected, please contact your doctor by telephone!
