Five things you should absolutely observe:

• Only leave the house when it is really necessary

• Reduce your social contacts to a minimum

• Keep a distance of at least 2 metres to fellow citizens

• If you need help with grocery shopping or similar things, please call the hotline („Bürgerhotline“) via 02133 257 555 or send an e-mail to hilfe@stadt-dormagen.de

• Never open your door for would-be corona testers. Should you feel like you might be infected, please contact your doctor by telephone!
